Mr. Paul Ernst, Director

Boy Scouts of America
PO Box 61030

Dear Paul:

The enclosed identification questionnaire came to us in today's mail. I am writing because of discussion I have had with the Troop 172 committee concerning Mr. Santorelli and his capacity for leadership.

An over anxious committee chairman submitted Mr. Santorelli's registration prior to doing some checking. After his appearance at several troop meetings and a committee meeting, there was considerable concern expressed by parents and committee over his desirability as a leader. Subsequently, Mr. Santorelli was asked by the committee not to return and he has in fact, dropped out of sight.

For the record, the troop committee based its request on the following information it was able to gather. Mr. Santorelli worked at a local resort, Lake Mohonk. He evidently took two sons, of a guest, on an unauthorized evening walk, down by a lake. When the resort was questioned by the father about the experience, Mr. Santorelli was dismissed. He had held a couple of different jobs in New Paltz, N.Y. since then, but is no longer involved in Scouting and currently can't be located.

My guess is that the man in the questionnaire is the same person we had, but unfortunately we cannot provide any further details,

If there is anything else I should do, please let me know.

Sincerely yours,

James W. Kay

Re: Arthur Santorelli
Scoutmaster, Troop 682

THRU: Mr. Dan O. Henry, Scout Executive, Greater N. Y. Councils

Dear Joe:

In response to your letter of October 11, we are enclosing a confidential record sheet for placing Arthur Santorelli, Scoutmaster of Troop 682, on our file.

In addition to filling out the record sheet, we would very much appreciate your sending us any substantiating documents that may be available pertaining to this matter, such as copy of police report, court record, or any newspaper clippings. This information will enable us to identify Mr. Santorelli should he ever again attempt to register in the Scouting program.

I am sure you realize that this leaves Troop 682 without any registered unit leader. Undoubtedly, someone is taking over in this position. In order for the unit to continue to receive program inserts in Scouting Magazine, it will be necessary to advise this office of the name of the new unit leader. This should be done by filing with us an additional enrollment for this individual in his new position. Please do not file a separation notice as we have already dropped the current leader.

Sincerely yours,
