Dear Earl:

I have completed the Confidential forms to the best of my ability, but I am unable at this time nor would I want to go back to parents of the boys involved. Both of these situations are a matter of record with the respective police departments morals squad, and since there have been no arrests I am not at liberty to get this information and really should not even be telling you of my source. The files are very confidential and fortunately our relationship is such that we have access to them.

We are also enclosing a new report on Mr. Robert J. Smith to add to the Confidential file, and in this case I do have a couple of statements which really do not go into detail but were enough for us to go to the committee and ask for Mr. Smith's resignation, and this has been done.

Sincerely,

*M. Gene Cruse*

Re: Christopher H. Kreuzer and  
David W. King

Dear Mr. Cruse:

Thank you for the two confidential record sheets of October 22 concerning Mr. Christopher H. Kreuzer, Assistant Scoutmaster of Troop 183 and Mr. David W. King, Scoutmaster of Troop 314. We have placed this information in our file and have taken steps to have their names deleted from the Troop rosters.

We would very much appreciate your sending us more substantive material such as a written note from the boys involved or from their parents. This is most important for future reference and it would certainly strengthen our position of refusing to accept any future application for registration we might receive from these individuals.

Enclosed are the confidential record sheets you forwarded to us. Please fill in the remaining information and return them to us as soon as possible. This will then enable us to identify these men, should they ever again attempt to register in the Scouting program.

Sincerely,

Earl Krall, Director  
Registration and Fulfillment Service
