SUBJECT: JOHN W. STELLA

Dear Jack:

A recent check of our Ineligible Volunteer File against the National Eagle Scout Association indicated that the above named individual is presently a member of NESA.

This individual is listed on our Ineligible Volunteer File and will not be permitted to register with the Boy Scouts of America. We wanted you to be aware of this, so that the individual cannot participate in any activities with the council, simply because he is a member of NESA. He should not participate in any leadership capacity or assume any responsibility in the Boy Scouts of America. He could participate as a parent if he has a son or daughter involved.

We wanted to make you aware of this, so you would not involve him. Let us know if you have any questions.

Sincerely,

Periodically, I follow up on all my files which are not complete, and where we feel we need documentation in order to have a file that will enable us to refuse registration anywhere in the country.

We have not heard from you for many months and wondered if the legal action had now been completed. Perhaps, you could give us the outcome of that action related to the charges which had originally been filed.

Thanks for your help in completing this file.

Thank you very much for the Confidential Record Sheet and other material related to this individual. This is most helpful as we build a file which will lead to refusal of registration in the future.

All we now need is the outcome of legal action once it is completed. If we can have the final conviction and sentencing, this will provide us with a complete file.

Dear Paul:

Enclosed are two confidential report sheets from Suffolk County Council for your information.

The first, John Stella, has been arrested by the Suffolk County Police Department on 27 counts. He was suspended by letter since we were not able to reach him with a personal contact. The day after we sent our letter to him we received the attached letter from him removing himself until his name can be cleared. Although the Stella letter is dated March 13, the envelope is dated the 17th. I honestly feel that he knew our letter was coming or he received it. I would expect that we will get the return receipt from the Post Office Department today in our mail saying someone accepted the letter at the Stella home.

The second sheet is on [REDACTED], a fifteen year old Scout. I am enclosing notes of a meeting we held with parents, Scouts, and Unit Leaders concerning this case. It is my feeling that this started out nothing more than horsing around and probably went too far. One of the parents of the Scouts happens to be an attorney and I think he has convinced the other parents not to drop the follow through on this one. I have contacted the Hot Line, gave them my statement over the phone, which they said was adequate and no other action of the Council was necessary. They have turned it over for investigation. The suspension letter to [REDACTED] was hand delivered in my meeting with him and his parents.

I will keep you informed as to anything additional that we hear in either instance.

Sincerely,

John A. Brown

Mr. Brown:

I am currently registered as an Explorer Advisor of Post 142 in South Huntington. Unfortunately, I have been wrongly accused of some actions which I feel may be embarrassing to the Scout movement. To avoid any embarrassment to the organization, would like to voluntarily resign my position with the Boy Scouts of America until this matter is brought to its conclusion.

It is my primary interest to protect the movement and the membership of the organization from any implications the case may cause. I will contact you again once I am exonerated of any wrongdoing.

Thank you for your attention.
